Welcome

Constituency Updates & Task Force Reports

Open Discussion/Announcements:

All members are encouraged to bring a GIS issue or topic of discussion to the Forum at this time. Anyone making an announcement at the meeting must provide a written summary of their comments to the [NJGF Executive Committee Secretary](#) so that they can be included in the meeting minutes. Members with a GIS issue or topic can also contact their [Executive Committee constituency representative](#) between Forum meetings.

Scheduled Speakers and Presentation:

Blazing a New Path: The Who, What, Why and How of Creating a Statewide Trail Inventory

Brandee Chapman, NJ Department of Environmental Protection

Calen Daugherty, Civil Solutions

Sharon Cost, NJ Department of Environmental Protection

The Trails Task Force of the New Jersey Geospatial Forum was created in 2017. Since that time, the Task Force has been working out the details for creating a statewide trails inventory, with the first statewide dataset to be publicly released shortly. This presentation will highlight the process and conclusions of the Task Force's work. Staff from NJ DEP and Civil Solutions will discuss the challenges and lessons learned as well as future plans for maintaining the data.
