What Your Mother Forgot to Tell You: Updates and Refreshers from the Census Bureau

David Kraiker, Data Dissemination Specialist, US Census Bureau; Data Dissemination & Training Branch

This presentation will touch upon a new project by the Census Bureau (Grids); as well as remind us where to find various geographic files; explain the differences between Decennial data and the American Community Survey; demonstrate how to use the Explore Census Data portal for downloads and elaborate on how to use the Narrative Profile. We will do a hands-on-our-phone exercise at the end of the presentation.
